MENS NIKE ROMALEOS 2

WEIGHTLIFTING FALL 2018

476927 | MENS NIKE ROMALEOS 2

MENS SIZES: 2.5-18

Exclusive NIKE contoured TPU heel wedge cups the heel and supports the foot to provide unmatched lifting stability. Integrated lacing and double power straps lock foot firmly in place. Ultra supportive, durable upper materials and construction.

Outsole designed to minimize wear in the heel. Includes training and competition sock liners.

BENEFITS

- Synthetic upper for durability and support
- Integrated lacing and two large hook-and-loop midfoot bands for a locked-in feel
- Elastic on the top of the inside of the shoe flexes with your foot tendons during the snapping "triple extension" movement of the clean and jerk
- Honeycomb-like system of trusses and bridges in the midsole for maximum stability
- Contoured, thermoplastic heel wedge ensures the optimal receiving position and provides maximum support without compression
